### The Premises:

A lovely, ground floor flat about a 10 minute walk from Blackheath rail station towards Lee Green. It had a very discreet, intercom entry and there were shower facilities inside. It really adds to the experience when you are in a more upmarket location.

### The Lady:

An attractive, mixed race French/Caribbean girl with a lovely petite body embellished with 32D natural, firm breasts.

### The Story:

A very enjoyable experience because Shana-Chantelle was intelligent and very friendly. She has a lovely, soft caramel coloured skin and it was a delight to feel her ample breasts and squeeze her petite, shapely bum. The session itself started with covered oral and progressed to sex from behind with me standing. Try as I might, I just couldn't come! I had to succumb to a nice slow hand finish. Still, the bonus was I got to fondle her breasts for a bit longer.
