The Premises:

The usual venue near South Kensington. Good clean flat.

The Lady:

Spanish/Moldovan and looks stunning - face of an angel with brown eyes, dyed blonde hair and a great body (enhanced tits but very well done and had to look underneath to be sure).

The Story:

She was friendly enough but she stripped out of her black dress (no underwear) almost immediately and got straight down to business. There was no kissing at all, no OWO and after we were done she put a towel on and sat at the other end of the bed. I could have forgiven this given that she is one of the hottest girls I've ever been with but she left the room on 3 occasions for 5 minutes each. After she returned on the final occasion there were over 15 minutes left and she said the time was up and left the room again while I dressed. Avoid unless you are happy only getting 30 minutes of a one hour booking (or at least use an alternative agency where you can book her for 30 minutes and save some cash).
