The Premises:

I love Charlotte's home. It is centrally located and you feel very safe and comfortable. It is clean, well kept and properly looked after. Very good bathroom facilities and as it is a weekend there was free parking very close by

The Lady:

Very beautiful English rose. All her curves are in the right places and her eyes are seductively hypnotising. Huge soft boobs and a great ass you can really and properly grab. The moment you meet Charlotte you will instantly be validated that it was a wise decision to meet her

The Story:

I have seen Charlotte on many occasions and I can verify that you will certainly have an incredible time. She knows how to put you at ease and make you feel like you are the last man on earth.

She conveniently has a "Turn On" list that I have thoroughly enjoyed on several occasions and I cannot seem to stay away. Her deep French kissing is perfectly sublime and really long. The moment she closes the door after welcoming you into her home she will immediately jump on you which is never a bad thing. She took my anal virginity and I was thoroughly hooked after that.

There is no doubt She is one of the best Girlfriend Experience there is in my opinion. I will continue to see the gorgeous seductress as often as possible. Do not hesitate going to see her. You will leave with one of the biggest smiles and a great feeling of being completely sexually satisfied.

If only I lived closer to her and I was a millionaire I would certainly consider seeing her on a very regular basis
