Small clean serviced flat, between Sloane Square and South Kensington tube stations. Shower facility available. Safe area, parking could be a problem, I used the tube.

Sweet, curvy English milf. Soft spoken with a naughty twinkle in the eye. Height about 5'5", dress size 8 / 10, short blonde hair. Good hygiene spotlessly clean.

The Story:

This visit was a while ago, earlier in the year.

I met Suzi at her temporary London in-call location. Some of you may recall her from UK Sugar Babes and/or Secret Boudoir. She does not visit London regularly any more and is based in Hampshire.

Without going into the details, it was an excellent session if you are a milf lover. Her AW profile gives you a sense of her services repertoire, which for someone like me is more than enough. Suzi can be gentle and sensual but can also be raunchy at the same time. She can pick up and effortlessly complement your mood / style by adapting to the situation. We made good use of the full length mirror and I have to say doggy in front of the mirror was an absolute delight.

Its too bad she does not visit London regularly any more. I recommend her if you are looking for a sensual, clean and hygienic experience with a beautiful English milf.
