The Story:

Ive used this agency a number of times and ive found them reliable and honest when it comes to delivering service, samira is friendly and professional on the phone and really gets an effort to get to know what you like and reccomend the right girl.

Xonia (and the others I have seen) are alys friendly and professional, leaving me gasping at the end of a booking... truly awesome!

well worth the money (it is slightly more expensive but you get what you pay for) and an awesome service

10/10 would book again
