The Story:

Avoid like the plague! Scammers!

Turned up and Katie looked nervous(Should have walked out there and then,)

Paid £200 and she disappeared for 5 minutes.Cut along story short she kept going to toilet/ get water etc to stall the time away.

After 25 mins of this were still both fully clothed and she starts complaining she feels sick .At this point I decided to cut my losses and I said to her give me £100 back and i,ll write this off as a bad punt.

Off she went again for umpteenth time!

Next thing I hear is 'ere mate she reckons you stink and you've got to go!'I was freshly showered!The door opens and 2 heavys are standing there and I know I've been well and truly screwed.On this note I beat a hasty retreat.I think they have ripped a few punters off as she laughed saying she was making easy money.

The worst punt in 20 years and 200 quid poorer so be warned guys...
