The Story:

Ever since discovering HOD some weeks back Apple has been on my must list. I simply love Asian women. Was greeted with a lovely embrace, DFK and compliments which are always lovely and I think we clicked straight away. I showered and returned to more DFK and on releasing my towel Apple wrapped her lips around my cock for some sensational OWO.

I enjoyed, in fact I hope we both enjoyed 45 mins of mutual exploration with oral and reverse oral featuring very highly. The feeling was amazing and watching her working her magic on me ended in an intense CIM which, as it happened, emptied my out completely. Just sensational. Enjoying her Pussy and tight arse hole with my tongue was also a pleasure and she moaned if not necessarily orgasmed. I must work on that.

Overall this was the highlight of my short punting life so far. What a standard to set. I could be smitten.

And on top of the sensational service, a funny and interesting woman. Thanks Apple.
