The Story:

Have been seeing Sienna now for about three years i thought it about time I gave a review.every time I have seen her she has given a sexy loving experience.from the minute she walked in to the room looking gorgeous in her sexy undies I knew I was going to have my usual fantastic time with her.she started by taking off her bra to reveal her fabulous tits and turned me on to my front to give a lovely massage which involved plenty of kissing and rubbing her tits over my back.after this I turned over and chose to have tie and tease which included Sienna sitting on my face and me licking her sweet pussy until she came.plenty of kissing and stroking all my body until she gave me owo which was great as normal before covering me and riding me until I shot my load inside her.she then showered and we continued our time together with a lovely chat while she dried herself and got dressed which is lovely to see on its own! Overall I had a great time as usual and I would highly recommend Sienna for a special gfe .until next time Sienna! X x
