### The Premises:

Town house in city centre. Safe and easy parking outside or in shopping centre 250 yards away. Clean and nicely furnished room.

### The Lady:

Utterly gorgeous and beautifully turned out petite young woman. Perfect figure. Great legs, divine arse and the most engagingly pretty face. Her photos are absolutely genuine. Friendly personality and easy to talk to.

### The Story:

Charlie is a total knockout to look at. She wore high heels and immaculate black lingerie which included a very girly mini tutu (I guess it was a token skirt). Her make-up was perfect. She was very proactive and obliging and, I think, more inclined to provide a pse rather than a gfe, so if that is your preference you won't get better views than this lady can provide. The images are still fixed in my mind as I write this.
