The Story:

Spent two wonderful hours with Amelia last week and wow! Our time was filled with raunch. She had my cock in her throat right after I stepped out of the shower which was a nice way to say hello. That led to facial number 1. Then on with the schoolgirl uniform and she handed me a paddle – a first for me – which I made good use of. Several positions later this led to facial number 2. After some very stimulating conversation we got on to some tit-fucking and facial number 3! She was more than happy to try WS with me – another first. Above all she was really fun to be with and a sweet personality – I never felt rushed out or unwelcome. I will definitely be back for more.
