### The Premises:

Easy to find basement flat. Clean and looks newly refurbished.

### The Lady:

Anna is much the same as the pictures. Tall and she has a very student look to her. I found her very attractive and I loved her tits, just the right size.

### The Story:

Anna is a northern lass who has found herself studying in London. After meeting her I am glad she has decided to escort. I think I caught her while she is still very new.

This might explain that I sensed a few nerves at the start of the booking. But once we got warmed up, Anna was great. Lots of kissing and sucking. She gives good OWO with a CIM finish.

She was up for sex in missionary, cow girl and doggie.

All that and she has that northern charm.

If she keeps this attitude I will see her again, maybe with someone else.
