The Story:

Have been lucky to have had several threesomes and 121's with these gorgeous lovely ladies.

Today was particularly good!

Peace and Apple get on well and truly enjoy each other in bed.

We started off with lots of kissing three way which was amazing! Its a pleasure to watch these two kiss and then be asked to join in.

Peace took the lead in bed today, she likes to be dominant although if you are lucky you might get to see her submissive side too occasionally. ;-)

We got down to plenty of licking and sucking as the girls took turns to suck my cock and sit on my face with plenty of licking and sucking of their breasts too.

Peace demanded a good fucking and started to ride me after rubbering me up.

We then switched to doggy as Peace licked Apples pussy. Peace was very vocal and talking dirty today as she requested a hard fucking from behind. It was great to see and feel her orgasm as she sucked on Apples clitoris.

We swapped over and after a little sucking of my dick from Apple the girls swapped places. This time Apple sucked Peaces breasts and pussy. I like it when Peace rubs her pussy and displays it to me whilst I'm doing Apple. Peace looked so good as she was clearly having a great time whilst Apple licked her and she played with herself. I almost came inside Apple at the sight of both girls getting into it and both making lots of noise.

I then laid on my back whilst they finished me off between them. Again with lots of kissing, licking and sucking!

Cheers Apple and Peace from one very happy customer xxx
