The Premises:

Unassuming front to the building, easy to find and looked professional. On entering you are met at a window, the receptionist is polite, friendly and for me a nervous punter put me straight at ease. There are choices of rooms with a bath or a shower.

I was welcomed in and asked straight away if I would like a drink and led up the stairs to my choice of room.

The Lady:

Pin is a beautiful young lady in body and spirit. She polite, confident and for me is my precise body type which is curves and bouncing breasts.

The Story:

From being led in to the room by the receptionist, to being slowly undressed by Pin, to being massaged, to being bathed and then finally 30 minutes of sheer bliss with bodies, limbs, breasts and ass everywhere and sex in every way imaginable I felt like the King of Sheffield for an hour.

I am definitely going again, next time two girls, one big bath and me in the middle.
