The Premises:

Its above a Goldseal Windows on Attercliffe road, walk down the drive and up some wooden stairs. Inside there is a small waiting area where you can view the girls.

The Lady:

In her 20s medium build, pretty, very busty.

The Story:

Was in a boob mood so picked the bustiest girl there. Even though it was a short session I didn't feel rushed and best of all she took the time to find out the way I like things. Left with a smile!
