The Lady:

A revision of her current pics: Alexa is just as tall, buxom and very fit but the hair is now longer and blonde. So a slight surprise but absolutely no disappointment - how could there be with her bright and friendly greeting and immediate intimacy in a lovely prolonged cuddle and fondle.

The Story:

My experience was great! Alexa was friendly and assured from the off and there was never anything I did that was received with anything but positive verbal responses or bodily messages of approval.

All through, kissing intervals with and without tongues were a delight.

Alexa asked if I wanted a massage and I said yes but front only and that soon turned out to be a very sexual massage indeed. We moved on to 69 so the attention on me continued but I had a hugely happy time buried deep face first in this lovely lady.

Sex in any position I wanted and more intimate massage to finish.

A brilliant time with a lady I could easily fall in love with.
