The Premises:

Decent enough basement flat near Victoria station. Is discreet and clean which I guess are the main two factors. However, the bed was a bit wonky.

The Lady:

I noticed a recent debate on the Community Forum about whether the HOD photos were an accurate reflection of the girls' looks. Having visited five girls in the past few months, I can definitely say that the photos should not be taken at face value. Ella is podgy but has much bigger boobs than expected. Facially I thought she was plain. Probably is Spanish and in her late 20s.

The Story:

Whilst I may not have got what I bargained for in the looks department, Ella more than made up for it in the personality and service department. She is a cheery, effervescent person and greeted me with a deep snog. Lots of good foreplay and an awesome blow job with lots of licking, deep throating and ball licking. It was difficult to hold off but this time I wanted to savour it as it was mind blowing. Bit of a blur now but moved to doggy for a bit but went back to the oral (which with one exception has always been owo at HOD) and finished with CIM. Afterwards, enjoyed some post coital bliss and overall it was a delightful experience.

As a footnote - visited Diana again the next day but won't bother putting another FR again as the session really just confirmed the previous and very recent FR. Also, bumped into the Singaporean girl Apple and she is very fit and matches her photos (whether you're into Asians or not. I'm sure she would impress most) but sadly she wasn't able to join me with Diana for a threesome but perhaps another time!
