The Lady:

Stunning busty Indian girl with curves in the right places and a gorgeous face with beautiful brown eyes and sexy long hair. She was wearing a nice dress that was just something else. She definitely has style and elegance. She also possessed an amazing smile and was so warm and friendly.

The Story:

After she opened the door and greeted me with a kiss, she took me to her bedroom where i exchanged the money for her services. I took a quick shower so to look fresh. I then proceeded to kiss her on her lips and then started to run my hands underneath her dress where i began to fondle her pussy and caress her buttocks. Then i began to undress her and started on sucking her breasts, she then went down on me. I brought some whipped cream and asked her to spray it on the tip off my cock and to lick it off which she gladly did. I had paid £50 extra for Anal which i was so looking forward to and i managed to get my treat. I began to lubricate her anus by inserting one and then two fingers covered with lube. Her arse was shiny as i smeared the lube all over it. I then began to gently insert my penis very slowly into her anus. it was a bit slow to begin with as she has not done this in awhile, but when i managed to push my shaft all the way in, i was like a battery ram !. she felt quite comfortable, as i started to hammer away inside her arsehole, my cock balls deep. i can feel my balls banging on her butt cheeks. I was in heaven!!. I tried a number of positions from cowgirl to doggy and missionary, but all anal (next time im not going to neglect the pussy) I would occasionally take my cock out to see her gaped arsehole and what a sight!. After an hour of anal i decided to finish off as i think the poor girl has had such a sore arse. so i took the condom off and began to wank my cock as she opened her mouth and had her tongue sticking out, i released what was a huge load of white creamy hot spunk inside her mouth. You can see the cum dripping from her mouth and down her chin. It was an amazing sight.

All i can say about Meera is that she is such an amazing and kind hearted person with such a personality. She made me feel at ease. Very chatty and funny. the only problem i had with my visit was that i should have booked for more than an hour, maybe the whole night but hey time flies when your having fun especially with a sexy indian girl like Meera.

Thank you Meera as i would cherish these moments forever!.
