### The Premises:

Usual place. Been here a few times before

### The Lady:

Naomi is a mixed race 20yr old from Brazil. She's about 5'9" with shoulder length thin dreads and a collection of tattoos. She was wearing a spectacular grey frilled one piece which enhanced her breasts. She has a fantastic personality and a wonderful smile. Her online photos are spot-on with the bottom two (wearing a grey negligee and a crimson corset) being the best representation

### The Story:

This was to be a wild and sexy session. We started by coming together in a hold and kissed on the lips, with her fingertips roving all round me as we kissed. After some kissing and fondling on the bed we moved onto CG and then a prolonged RO, which she seemed to enjoy immensely and so did I. She repaid me with OWO and then we moved into 69 which finished me off.

We spent the remaining 10mins chatting and I enjoyed just gazing at this beauty and being in her company

I really clicked with this sexy young thing so much so that I would love to revisit all of her wildness again
