The Story:

Don't know how this agency manages to find so many great girls. Michelle is another winner and deserves all the positive reviews she can get. She immediately put me at ease with her friendly manner and asked me straight away what I wanted. I said that I wanted it to be slow and gentle and that's exactly what I got as Michelle proceeded to stroke and kiss me all over and give me fantastic oral. I would have liked to talk more afterwards but as I arrived late I had to get dressed sharpish to free the room. But I will definitely see this girl again.
