### The Premises:

A busy parlour on an industrial estate - see some other punters coming and going but ok if you don't mind. Friendly receptionist, big room with good sized double bed and shower. Parking directly outside or down the road if you need to be careful

### The Lady:

I saw Scarlet a few years earlier in MK so kinda knew what to expect. She has got better with age! Tall, tanned, soft skin and fantastic tits! She has a real girl next door look and a great personality

### The Story:

Scarlet came into reception and showed me to the room where she left me to have a shower (company policy at STBW). She came back in and slipped off her white smock to reveal that amazing body in peach underwear and high heels. Off came the bra in no time and proceeded to kiss me (not FK but still nice) after sucking on those lovely nipples she gave me oral whilst slipping out of her panties. She applied some lube and I got my fingers busy, whilst she was on all fours went down on her and rimmed her which she seemed to enjoy. On with the rancourt and Scarlet on top, amazing view, then laid her on the bed with me on top - finished with her legs on my shoulders. Great punt, no clock watching but she did adjust the clock at the end as it was wrong! Got dressed and had a kiss with her still naked and her hard nipples pressing against me.

Still as good as ever, would definitely recommend
