The Premises:

Near Morrisons, so park and walk 5 minutes. Clean and tidy. Lucy leaves the outer porch door open which is frosted, so private.

The Lady:

BBW with a mass of long blonde hair that caresses one's thighs as she leans between one's legs.

Bright lipstick that leaves marks around your cock and if cum, mixed with your spunk dribbling down her chin.

The Story:

Lick suck and fuck, is what I went for...

However, I left later having licked one of the sweetest, pieced and tight cunts it has ever been my pleasure.

Then, the fucking, a bright red condom was applied and Lucy knelt on the edge of the bed and fed me in slowly.

This was divine, but I wanted to shoot my spunk in her mouth, so she removed the condom and I laid down.

She knelt between my legs, I lifted her mass of hair out of the way as she fed my cock into her warm and willing mouth. She bobbed her head up and down and wanked me into her soft, warm and willing mouth.

This was all too good, so I said to speed up, she took me deeper and I soon shot 3 days of spunk into her.

Lucy didn't stop sucking and wanking me until she knew that I was spent.

She then came up the bed and we French kissed, swapping my spunk back and forth.

How good was that?

12/10 for effort and everything!

Thanks you Lucy, I'll be back.
