The Premises:

Ground floor flat in a safe residential area, only 2 minutes from Centre MK. The room was an essay in black, suitable for the shenanigans which followed!

The Lady:

Very much as per the website, 5'7", blonde, in a blue nightdress. Pictures are accurate, and age about right.

Heather is a bouncy, chatty person, fun to be with

The Story:

"Do you kiss?" asks the lady in blue. "Certainly do!"

So sorted out the paperwork and snog we did. More snogging and exploration with hands. Taut body, firm bum, kissable boobs. Not shaven below, but trimmed nicely. A bit of chat about the plan of action, off with the kit, and on to the bed.

Start off with RO, which seemed to go down well. Then change positions and OWO, not too much in case I lost the plot too early!

Then switch around again, mac on, into doggy, a great view from behind. Switch into missionary, using my fingers and rising into her gently, gently.

Finally, the grand finale, lie back, off with the mac, and a simply stupendous blow job, mouth and hands to an explosive convulsive finish, writhing as Heather carried on the good work post-orgasm (when I'm a bit ticklish, you see).

Clean up, have a bit of a chat about this and that, then off with a smile.

A very pleasant and satisfactory session with a nice, practical, skilled lady.

Next time I'll book a bit more time to see if we can get you going properly!
