### The Premises:

Modern, very clean apartment near the mailbox. Good bathroom and shower.

### The Lady:

Blonde and when she smiles she looks lovely. Gorgeously full lips and a very attractive body.

### The Story:

I noticed Alexa looked serious on all her pics so it was great to find her with a big smile on her face when she said hello and I immediately relaxed.

I guessed she would be good as she is RaquelBlonde's friend and good she certainly was.

Her kissing had to be good with those full lips and after a kiss and cuddle we got on the bed and Alexa was soon into oral without. After a good while I moved her into 69 and despite the combined time, her oral never flagged. Impressed.

Sex in mish and then doggie was really enjoyable and satisfying and a an oily hand job to end was delightful.

What a lovely lady.
