The Story:

Arrived on time and Kaya joined me promptly walking into the room with a sexy smile. I booked an hour and knew as soon as she walked in that I won't regret it. She greeted me with a kiss and her hands started wandering all over me. Her body is just right, curves in all the right places and a gorgeous face. I decided to have a massage first, worried that I might pop too soon otherwise. She teased me with her hands until I could wait no longer and turned over. Played with those amazing boobs and all the rest of her while she kissed me. Great OW, eye contact throughout. I had to stop myself from coming numerous times but Kaya knew exactly when to stop. On with the condom and she jumped on top of me. We tried few other positions, my favourite is doggy and watching that great ass from behind was too much for me, couldn't hold any longer. She definitely seemed to enjoy it too and that pushed me over the edge.

We had a cuddle and a chat afterwards, she has a great sense of humour. I couldn't come again since I was spent but I enjoyed the remaining time. Will visit again soon !
