Better than the photographs in real life. Mixed race...lovely body. Soft skin.

The Story:

Booked appointment 30 minutes before appointment. On arrival shown to room by pleasant maid and offered a drink.

Sasha came into the room and gave me a peck on the cheek, nice smile and very beautiful. Body to die for.

She invited me to lie on the table and proceeded to undress. I was in heaven.

Started with a massage on the back, just the right amount of pressure. Chatty and pleasant throughout the massage. Well educated clever girl.

I turned over halfway and she started on my front. No more details guys you will have to book her to find out. Suffice to say it was very sensuous and done with a lot of expertise. I was very very very happy at the end. Defo going back SOON!

By the way I did not realise I can use my hands until half through. Lol we had a good laugh about it. See you soon sasha.
