The Premises:

A large apartment block in Mayfair, very busy, very safe. I went by tube to Green Park. No idea about parking but it's probably not easy. The building she's in is large, we had to take a lift and walk a while. Her place was nice, the bathroom was full of toiletries and the shower was good.

The Lady:

Olivia is cute with a fantastic figure. She's 5'3", gym toned and firm with enhanced breasts and slightly tanned, soft skin. She's very well-presented, looking, feeling and smelling great. She's the type you make stop and stare.

The Story:

Olivia gave me a sensual GFE with lots of touching and we went very slowly, mostly because I told her I was new to all this. Olivia went out of her way to make me feel comfortable so it felt like it was all about me. There was FK and OWO and she took her time focussing on me throughout. We ended up in a number of positions and ended in missionary. We spoke for a little while and Olivia knows how to hold a good conversation and there wasn't time to try again. She saw me out with a kiss and I left happy. I'd see her again and recommend her.
