The Premises:

Easy cheap parking. Reasonably discrete. Usual standard of decor and comfort as reported many times before.

The Lady:

As per her description on the website, although I think GG is a bit of an exaggeration, but still very busty. As mentioned before she has some tatoos, a turn on factor for me. I was quickly mesmerised by her looks and her attitude, and just knew that I was going to enjoy the time. I showered and returned to the room to see this vision of loveliness waiting for me on the bed.

The Story:

Lucy started the session with the some light french kissing, that developed in to DFK as the appointment went on. We stood kissing and exploring each other's bodies for about 10 minutes. For me it was just a pleasure to be holding this gorgeous woman close and tight, whilst she gently massaged my penis.

Lucy sat on the bed and then took me in her mouth and started about 10 minutes of OWO and ball stroking. She used her tongue stud to good effect. I stopped Lucy, as she was oh so good and close to causing an early end to proceedings. I then returned the favour with about 10 minutes of RO and fingering, which I think Lucy enjoyed. I was then told by Lucy that I would have to fuck her to make her come. A condom was expertly applied, and we then embarked on about 5 minutes of missionary shagging and DFK until Lucy came. The session finished with some enthusisatic OWO from Lucy, with me finally tossing off in to her welcoming mouth, followed by a quick snowball. One of the best sessions I have had in many years of punting, and Lucy will be a definite re-visit, whenever her schedule and mine allow. If you've not had the pleasure of Lucy's company, treat yourself soon.
