### The Story:

What a little cracker this week! Lovely little chick with a fantastic slim little body that made me almost over-run my time just on the oral sex. I was so over horny that I nearly forgot I was there to fuck her as well as eat her pussy. With her thighs up on her chest she made a fantastic site as I buried my face between her legs and tongued her tasty little pussy as deep as I could. Spreading her legs wide I gave her clitoris a lot of attention and turned her over to run my tongue around her anus. She has such a cute round bum that I wanted to pound her from behind with what little time I had left so on with the condom and forced my way into her with her thighs clamped shut. Her nice hips provided a nice hand hold as I banged her hard and as I came I pushed her down onto the bed to lie on her with all my weight shooting my load up her pussy. A proper fuck.

Having cum I pulled out and she turned over and I waved my softening cock in front of her face, showing what had just been inside her. Time was up so a quick clean up, dress and off I went. I really enjoyed this punt, a bit rushed, very horny with an explosive finish with a responsive compliant young lady. Try an Asian chick they have a little je ne c'est quoi.
