Young girl, fairly pretty, although a few pounds heavier than her pics show. Nice natural boobs though.

The Story:

Lily walked through the door in the outfit worn in her profile photos, she was also wearing a very nice perfume. We sorted the money and then straight down to business. A quick peck on the lips...no DFK for me!! I should've eaten a polo before going in. She pulled away my towel and grabbed hold of my dick, she then took off her bra and let me have a quick suck of her very pert natural tits. She then performed a very quick OWO, not great although she is only 19 and still has plenty of time to improve her technique. Throughout all of this she made an annoying fake moan, which really turned me off. Why do some women do this?? It's not like we can't tell when a girl is faking it!!!

Next it was on with the condom to take her from behind to finish the job. No massage was given, infact it was all over in 20 minutes...I came a way feeling a little cheated too be honest. Her photo's are a little mis-leading. she is a young girl but she's no stunner, the parlour has much better looking girls that given a much better service...but each to their own I suppose. I will go back to Northampton massage because it's a great place but I wouldn't pay to see Lily again i'm afraid.
