Profile Name: Sexy Asian Escorts No 1 Asian Agency Since 2009

The Premises:

Nice place and easy to find. Agency was efficient and their instructions / directions were very clear. Her room (on 1st floor) was huge and appeared to be clean (curtains were drawn and low level lighting).

The other rooms on ground floor appeared to be offices. Strange set up.

Shower was spacious but did find the bath mats were rather soggy, though this is normal in my experience of punting.

The Lady:

Becky was short and naturally rounded, kind of like the 'thick Asian' ladies that some websites refer them as.

I found her shape quite sexy. As want, she is a bit older than the website photos and her bottom and thighs remind me of a black woman's.

She had an attractive face too which was a bonus.

The Story:

Becky's mannerisms were polite enough when I arrived. English passable but not great when trying to have a conversation with her. She offered me a drink on arrival, I opted for a bottle of water which she got from the fridge in the bedroom.

Like most girls these days they don't run a bath or offer to join you after they ask if you want a shower, so I showered alone.

Back in the room and onto the bed, started off with a few nipple kiss / licks (she doesn't appear to want to kiss nor allow reverse O).

BTW, I tend to give a detailed low down of my experience in my reviews, I don't understand why some punternet reviewers always give bits of info and say something cheesy like (out of respect for the lady I will keep our experience private). It's a review people!

Started with OWO which was nice but she positioned herself so I had limited access to her pussy. After 5mins of OWO, she put on the condom and climbed on. After a couple of mins of her bouncing slowly up and down in cowgirl I decided to do the work. After 5mins of this she decided to change to

doggy. I was rather horny as haven't punted to a long time so I really went for it. I pounded for a good 15mins and she started to ask why I hadn't come yet. I just told her I was really enjoying myself. I'm not very big so I don't believe I was capable of hurting her.

To my disappointment she decided to give me a hand job and it didn't look like she wanted to have sex anymore. So I played ball (tried to have that conversation again with her but she didn't feel like talking). This was around 30mins into the hour which included my time in shower.

So I let her wank me off and I managed to hold on for another 10minutes before shooting my load.

I got dressed and politely said good bye left.

I would recommend Becky, maybe she didn't connect with me. I will definitely use the agency again but I won't book Becky again, plenty of other ladies to visit. Paying for an hour and only getting 45minutes isn't very good value for money.

Hope this helps!
