The Premises:

Nice safe area with car parking near entrance. Clean establishment that feels safe. I was greeted at the door by the receptionist who offered a drink and shown to the room where I was offered the use of the shower facilities.

The Lady:

Kristi came into the room with my coffee and gave me a big hug that settled any nerves I may have had. Kristi looks fantastic with all the curves in the right places and a beautiful smile to top it all off.

The Story:

Kristi invited me to get on the massage table and Kristi striped off. I lay there with my face to the side so that I could take full advantage of the pleasant view on offer. Kristi started massaging my back really firmly and we chatted away as if we had known each other for a long time. Then she got on my back and slowly slid her lovely boobs up and down my back. Kristi then moved onto my legs and slowly teased around my balls. Then it was onto my back and with plenty of oil stroked my cock while positioning herself so I could take in the awesome view of her backside. Needless to say I didn't last very long before I had my happy ending. All in all I think I had a smile on my face from start to the finish.

Kristi is a lovely girl with a great personality so I'll be back soon.

Good luck Kristi xx
