The Premises:

Flat clean and tidy. Went during the week though and parking was a problem.

The Lady:

Rose is slim, tall, lovely curves and a pretty face.

The Story:

Walk in appointment as was passing through by chance. Maid was lovely.

Rose came in to introduce herself and was pleasant. When she returned she asked if I was going to strip. Off with the clothes and then I lay next to her on the bed. She lay next to me and we had a chat. I started to run my hands over her and she decided to strip, her body looked amazing as she lay back down. She lay back, opened her legs and I performed RO on her. Absolutely no kissing or touching from her on me and she seemed bored to be there. When I finished the RO I lay down on the bed. She popped on the rubber and performed some very light oral. Jumped on top. Quick sex again no interaction and done. Quick leave full of disappointment.
