The Lady:

Lara is 20 something, slim and with very sensitive handful breasts.

The Story:

The usual short wait for Lara to appear then in she trots ready for the fray. Hardly any time wasted after exchange of money. Lara is a very sensual young lady who responds to every touch. She dropped the top of her basque to reveal very inviting breasts and gave a little whimper as I touched them. A long cuddle and deep passionate kissing followed before we lay on the bed so we could explore more. She has a very subtle line in dirty talk which was quite a turn on and can also hold a sensible conversation. This lady likes sensual oral on her and voices her appreciation of every touch. Her technique on me was equally sensual and had me gagging for the main event when she rode me then finished me orally, keeping me on the edge to build up to a fantastic climax. A visit to Valentines is always good but this was the best yet.
