The Story:

Charlie came into the room with my drink in hand and gave me a little kiss and we sorted out the money side of things I then got undressed and had a short back massage and then owo from Charlie . I then decided I wanted to fondle her lovely breasts and nipples and give them some attention before licking at her lovely little pussy and bringing her off with my tongue which we seemed to enjoy . We then had sex in missionary reverse cow girl and scissors to finish . We then had a little chat and cleaned up . Would I return ? yes as she has such a nice little way about her and she helps put you at ease if you are a newcomer of which I am not but I would return regardless .
