Details of Service Provider:

Profile Name: Christine Love - British Bisexual Fetish GFE

Phone: 07525365365

The Premises:

Christines boudoir, very safe and clean. She had some scented candles which added to the atmosphere.

The Lady:

Christine dressed exactly as I asked for. She looked stunning and even better than her pics. She has a wonderful body and trust me she knows how to use it. Christine is very friendly and put me at my ease as soon as the door closed.

The Story:

She gave me exactly what I was looking for and exactly what I needed. We discussed what I liked at the start and from then on everything just flowed. I availed of her full service. I asked for a naughty gfe and that is what I got. Had to pinch myself at times. She loves to kiss and always looks straight at you in a true girlfriend way. Her profile doesn't do her justice as she is so good at everything she does. Her BJ's are fantastic. Treat her with respect and care and you'll have a fantastic time.

At all times with Christine I felt that instead of an escort service I was meeting an old friend who I so wanted to fuck. She really comes across genuine and really enjoys herself. I was offered shower facilities and her apartment is wonderful. At no time did I feel like she was clock watching, but she is very busy. We started slow as she let me explore her body as I wanted. She slowly undressed me as we kissed and she has such kissable lips. Everything seemed to come at its own speed and her BJ's are wonderful. So sensual and she really made me feel at my ease. I enjoy oral too so went down on her and what can I say.... her clit is to die for. I lost track of the time as I pleased myself with it. Fantastic. I have absolutely no idea how long I lasted but I do hope it was long enough for her because I was shattered after it. I would definitely recommend her as she really rocked my world and I can't wait to see her again.
