The Premises:

Premises very clean, discrete and safe. Easy to find with cheap and nearby parking. A very efficient and friendly booking process.

The Lady:

Ruby is the complete package; matching her profile in every way, and truly being a stunning and gorgeous Eastern European girl with a fantastic body, beautiful eyes and lovely long hair. She has a very warm and engaging personality, together with a rather naughty streak and the ability to share a good conversation with plenty of laughs. In addition to having a wonderful figure and a very impressive set of natural boobs, she also has a tongue piercing which she very skilfully uses to great effect to heighten ones pleasure.

The Story:

A-maz-ing!!! Ruby was basically on fire for the complete session, engaging in a variety of mind blowing services that she delivered in the most sensual and passionate way you can imagine.

What we actually got upto, together with one or two services she hinted we could possibly look at trying out at some future sessions will remain very much between Ruby and myself, but I can say the services performed involved Ruby being incredibly sexy and role playing the ultimate GFE experience in the most intimate way.

Ruby kisses as if her life depended on it, adding her considerable DFK skills and tongue piercing addition, to make the whole experience one of utter sheer pleasure that you just want to keep doing, indeed I probably could have spent the whole hour just indulging in this amazing kissing experience, but knew that was just the Starter in what was to be an incredible menu to follow. Likewise when it came to OWO time, again her amazing DT skills combined with that clever little tongue piercing, made this rather delightful activity seem as if your you were in pure heaven.

Again I'm letting the wonderful finale experience remain between Ruby and myself, but I'm sure you can probably work it out, if I hint I was left in a complete ecstatic daze with a massive smile on my face.

I cannot recommend Ruby highly enough, as this girl most certainly has the real Sex-Factor. Treat her well if you do book to see her, and do not pinch all the best booking slots, as I fully intend to get back to see her real soon.

Ruby; WOW; she is one passionate lady who obviously loves what she does, and will give you an experience you will never forget!
