### The Premises:

Discreet residential flat. But messy as walk through lounge to small dark bedroom. Room had couple mirrors placed and heater to keep temperature up

### The Lady:

Slightly overweight lady. Not really same physique as pics. Bit of a belly now and chubbier cheeks. Personally prefer a bit slimmer and more toned.

### The Story:

Should really have left when saw state of room as says a lot about person and standards. Also when asked to see belly she sucked in. But due to service expectations I stayed.

First round was owo kissing all done with gusto and popped in mish. Nothing great nothing bad.

Second round wanted anal which I thought she was experienced in. She didn't do this very well.

She moved her body slightly to the side so couldn't get fully deep. Then she pulled away complaining taking too long. When she saw I was annoyed she went at it again but this time no anal so finished doggy style in pussy.

All in all an OK punt but not worth £150 for her appearance and service.
