The Story:

Where to start, have been with Carmen a couple of times and love the girl she is just so fantastic and genuine a real girlfriend. I have always been tempted to try a Estela but could not miss Carmen... I promised myself the next time the ladies were available together I would chance a duo, and this turned out to be one of the most erotic experiences i have every had. The girls really know how to handle a man.....and I can't get the experience out of my mind, my hand has got great exercise, cant wait for when they return I am hooked
