The Premises:

Well known and fine. Helpful receptionist and added attraction of a bare naked lady or two in sight scurrying around as I had left the door open.

Shower in bath works fine and nice soft towel.

The Lady:

Stunning. Naomi has my favourite looks - beautiful face, perfect shapely figure, dazzling smile and sun-kissed brown skin. She was also a really pleasant personality happy to chat as much as I wanted.

The Story:

I was dazzled when Naomi came in in red - croche-style see-through red dress with red bra and pants.

We cuddled, kissed, let each item of clothing fall off Naomi and talked about her new nipple piercing.

Then we spent time writhing in different close-quarter positions where we could reach different bits of each other's body.

Naomi then started a great session of oral (with; I don't mind) which became a 69 to die for. To have the attention of Naomi's mouth plus all the delights in front of my face was superb.

Vigorous cowgirl gave way to mish and and a very happy finish.

Utterly gorgeous and utterly nice and utterly willing - I adored my time with Naomi.
