The Premises:

The venue is on a street corner with a sign to walk around to the rear. You buzz to get through the security door and find yourself walking into a bright waiting area. The place is nice, clean and the shower was good.

The Lady:

Crystal is pretty and very toned. About 5'6", fair skin, but very lithe. She has a sexiness and friendliness at the same time.

The Story:

The ladies come out one by one to greet you then you pick. All beautiful. I was considering a duo but Crystal came out first, kissed me on the cheek and made me feel welcome so I asked for her alone. She walked up the stairs first and knows the effect she's having on you.

She gave me a very intense experience, very focused, very sexy. She gave me a massage and didn't want to let me leave without trying again. She was flirty, fun and friendly. She even asked me if she could keep my tongue with her. I wasn't sure exactly what to expect at a parlour but I was really surprised at how good she was and how good she made me feel. Recommended for sure.
