The Premises:

Unassuming entrance in a busy shopping street. Nice big room with shower and decent bed.
Friendly reception staff

The Lady:

A polish lady I would say somewhere around the 28 years old as listed. A few pounds heavier than her photos suggest but a tanned curvy body with great tits pleasing to the eye

The Story:

Its a difficult one to say - in some respects it was a very mediocre punt - started with a massage which was nice then some owo which was very quick and in sensitively delivered, more like chowing on a hot dog from a street vendor! I suggested 69 which again was very quick - very little touching and interaction allowed - she lists DFK but no more than a few light kisses (why do they list things they don't do?).

On with the coat and the punt redeemed its self with some good sex in a few positions to finish.

On the plus side Paris is a friendly chatty lady who puts you at ease, hence my recommendation

On the down side it felt rushed - only got 20 mins including two showers - I always book for 30 mins but am tempted to go for the 20 mins option and save a tenner!

Wouldn't book again but did see Katleen's naked body on the way out (always a great self promoter!) which reminded me I need to return!
