The Premises:

Inspiring modern top floor apartment with everything there you could want including shower.

The Lady:

Elisha is a very attractive lady currently with a deep tan and a healthy figure with delicious breasts. As in her pics, her lips have a gorgeous pout. She also has some tattoos that I liked and which are not distracting to those usually not keen. To top it all is Elisha's bright, welcoming, easy nature that makes you feel at ease from the first moment.

The Story:

A lovely time. Directions seemed complicated at first but in fact easy once at the block and a lovely welcome plus the great view made for an ideal start.

We kissed, cuddled and fondled before moving onto the bed with both now naked.

More fondling and kissing, excellent oral without on me then delicious 69 without any urgency to move on.

The sex was then great with then no rush to be ushered out the door.

It was the pout that had first caught my attention on Elisha's profile but in the flesh there were lots more things to enjoy as well.
