The Premises:

Nice basement flat 1 minute away from Earls court tube station. Very busy road, so no one notices anything. Flat is also in the basement with a side door, so no communal entrance either. Once inside it is very spacious, with large bed, sofa and mirror to view all angles. The bathroom is quite big with newly grouted tiles (by zizzi herself).

The Lady:

Petite, slim toned beautiful thai pocket rocket! Natural small tits with a perfect arse.

The Story:

After many visits, I am still hooked on this girl. There is no better thai escort around to even match her personality and service. 10/10 every time.

Assisted bath, with LFK and Owo to follow. Straight onto missionary for round one completion. Then followed a nice massage and owo again. Then onto Anal in many positions to complete. This girl is amazing! She's not as busy as she used to be as location is not central. But well worth the extra stops on piccadilly line.
