The Story:

I haven't see Helen for quite a while. She's been flying under the radar as for as reviews go, so wasn't sure if she was still around. So while I was passing I gave her a call, and very glad I did. She hasn't changed a bit. She only does this part time, she says, she would sooner be available when she wants and enjoys sex and not because she has to be. And she definitely like a good fucking.

Loves anal too.

One of the best MILF about.
