### The Premises:

A parlour. Little bit close to the shops and resulting foot traffic to be ideal, but ok. Inside, very busy but satisfactory.

### The Lady:

Pretty in a plain sort of way. Not a stunner; smallish boobs, bit of baby fat, trimmed but not shaved and otherwise as per photos. I found her attractive but objectively speaking more a sort of girl next door than a model. Not a criticism; just being honest. As I said, she was more than fine for me.

### The Story:

Very enthusiastic and very enjoyable half-hour (which over-ran to the maid's annoyance.) She's a friendly, full-on girl who was French kissing me before the introductions were over, action which then moved on to a lengthy make-out session on the sofa before shifting to the bed. All very "un-escort" like and all the more exciting for being somewhat natural rather than staged. She was very responsive throughout, didn't appear to me to be faking and all in all was one of the best punts I've had in a very long time. Highly recommended if you like natural, friendly girls.
