See other reviews. Discreet and well-appointed.

See website photos. They are accurate. Otherwise, smallish Eastern European girl with a very Eastern European look (you will either know what I mean or not). Nice body.

The Story:

Tina has a lot of good reviews but to be honest, I didn't quite have the same experience. While she does her job perfectly well, I thought it was all a bit "does what it says on the tin." Not a great deal of interaction or communication; she definitely tried to deliver a good service itself and I can't complain about that but it was all a little too detached and impersonal for my own taste: Blow job - check, reverse oral - check, sex - check. Very professional. Obviously, there wasn't a lot of chemistry between us for whatever reason so this isn't an attempt to criticise -- just present my own view. Others have clearly found her to their liking so she is doing something right but personally, I will not re-visit. Not a negative by any means; just a neutral.
