### The Premises:

Gina is a recent arrival at the London Retreat, which is a 5 superbly managed star location a short walk from the Earl's Court tube station. Everything was well equipped and immaculately clean: the room, the bathroom, the kitchen. Even the entrance patio was well decorated!

### The Lady:

Gina is a gorgeous, petite redhead, of German extraction! She has a slender figure and a beautiful head of luxurious red hair. She also can unleash the fiery temperament of a redhead when a role requires. ;-)

### The Story:

Gina played a secondary role in fabulous session I had today with Alice and her. Gina was the office colleague who I thought I was taking off for a tryst, and who instead who lead me straight to her friend, my "girlfriend" Alice (see separate review), at a waiting Dungeon. Needless to say, in the brilliantly played role Alice was furious and decreed that I should be subjected to the harshest of punishments. For the next hour I was then thoroughly thrashed by both ladies with an assortment of paddles, straps, and canes, and the ladies then subjected me to a very hard strap-on session. When it was Gina's turn to strike or thrust, she did so with great enthusiasm and accuracy. Indeed, I suspect that it would be quite a challenge to be taken to one's limits and beyond by Gina. She would be a cruelly adept meter of severe punishments, who would have you begging for mercy in no time.

The role play did not involve any personal intimacy with Gina, but I suspect that she is as passionate in bed as she is with whip and cane. And for those of us who adore redheads, she takes your breath away.

Due to her recent arrival, The London Retreat has her in an "Assistant" mode. From what I experienced, she is fully capable of going Solo, whether you are looking for a Mistress or a gorgeous girl friend.
