The Premises:

New block in paddington so upmarket smart flat that's in a secluded and quiet location. Feels very safe and close to paddington station.

The Lady:

As described on the website. She was wearing high heels and body hugging outfit. My mouth dropped when she opened the door. She is tall, slender, tanned with a tight body that you can see she maintains. Just perfect. Just imagine a blonde tanned beauty playing beach volleyball and that's Tess.

The Story:

WoW, What a stunning girl who has a genuine catwalk model figure (hard toned body and sexy body). Simply put she is a package girl that truly offers the girlfriend experience. I often read of a GFE experience, but trust me you haven't experienced this till you've spent time with Tess.

I'm not going to go into the detail, but let me assure you that she is completely engaged with you, and gives herself completely to you. What a memorable evening, Had originally booked an hour, ended up extending to 2 and I still didn't want to leave. I wish i'd booked her for the night, and taken her out for dinner and drinks. Trust me any you'll have men and women turning heads all evening with and waiters bending over backwards to ensure you are well served.

I don't even know why I am telling you all, as I simply want to keep her to myself. Tess, look forward to seeing you soon. Missing you already!!!!

Treat her well, and be a gentleman and she'll give you the evening of your life.
