The Story:

Elise came into the room in a tight red corset and matching knickers and stocking and heels and immediately started kissing me and fondling the old chap . And told me off for thinking she was someone else at another parlour who is older oops lol ! . We then got undressed so I could fondle those lovely tits and nipples of hers with her wanking and fondling my todger . We then climbed on to the bed for more DFK as Elise has lovely soft lips and loves DFK as much as me After playing with her tits some more I then went down on her and gave her a good licking out and brought her off to a shuddering orgasm we then laid on the bed cuddling and kissing again with me inserting my fingers into her wet pussy she then grabbed a rubber slid it on a nd gave me a expert blow job after which she climbed on top for some cow girl and a climatic finish . I look forward to a hour with her next time . From your Bad Boy x
