As per photos. The bits you can't see in the photos: About 5'6" so quite tall, small-ish boobs, shaved.

The Story:

Quiet, shy girl next door type on her first day working (so maybe lacking in self-confidence), I only had time for 20 minutes, unfortunately as it turned out. Thought she was lovely; responsive, pretty rather than supermodel and attractively understated rather than OTT in demeanour. She definitely doesn't take the initiative, really very passive but she responds nicely to attention and meeting felt very natural, more and more as she got comfortable. French kissing, oral, reverse oral and missionary were all enjoyable...just not enough time! Definitely will be back to see her again and with the proviso that she's probably not for those looking for a full-on PSE or an experienced girl who takes the lead, highly recommended.
